Check out [@daronmalakian](#) which song is this

I'm talking again with my friend [@talesrimalta](#) which is my partner in Songwriting since 2007 and he has a Pic with you in some concert he watched here in Brazil

I saw you guys from [@systemofadown](#) [@serjtankian](#) [@shavoodadjian](#) [@johndolmayan](#) in October 2011 at Chácara do Jockey, two months before I found out a Hodgkin Lymphoma. I totally overcome it, I studied and worked a lot even when I was struggling I still have lots of pictures in my mind as the verse of some song says, I'll repost then eventually

I was one of the Moderators and later became one of the Administrators of the biggest [@orkut.br.official](#) community about SOAD

I love you guys as much as I love [@oasis](#) and Daron is as important to me as [@themighty](#), if you still hate each other fuck you all
