

We're working on a better SEO—ready [Drupal](#) at [drupalbrasil.shop](#), by default it isn't as good as [WordPress](#) in [Google](#). We intend to sell some e—books in this domain. We're almost finishing our Scientific Article alongside [professor Ricardo Esteves Kneipp](#) from [Instituto Federal de Educação, Ciência e Tecnologia do Rio de Janeiro — IFRJ](#) about Headless Technology, we're proud to mention the [Open Website Alliance](#) using Drupal Association as reference. We also mention the renoveau of [TYPO3](#) in Germany ☐☐.

We're doing really **hard task** to promote the **State of Art of Headless Technology** and **Open Source in Web**. We also promoted the Open Web Site Alliance in [Moodle](#) forums — [moodle.ifrj.edu.br](#)
